TOBIANO GOLF PURCHASES BRUKER MARINA

FOR IMMEDIATE RELEASE

KAMLOOPS, BC – December 2, 2021 - Tobiano Golf is excited to announce the acquisition of Bruker Marina, opening a new chapter in the development of the Tobiano community. Initially conceived as an attraction for the residents of Tobiano, Bruker Marina has evolved into a major attraction for the entire Kamloops region and Tobiano Golf looks forward to providing the opportunity for guests to enjoy a seamless blend of golf, watersports, and dining beginning in the 2022 season.

New owner Michael Ternier says “it will primarily be business as usual in 2022 at Bruker Marina with only a few new faces, an upgrade to the breakwater, minor upgrades throughout the marina, and some unique package creations. Bigger changes are planned for 2023 and beyond. We thank Bruce Robertson and Kerry Wiebe for all the work they have done to take Bruker Marina from concept to the facility it is today.”

Former owner Bruce Robertson applauds Michael Ternier’s vision for Tobiano Golf, the Tobiano community and now the marina, which will allow Tobiano to continue its growth and enjoyment for years to come. “We personally would like to thank Mike for his professionalism and passion for the betterment of the community.”

Tobiano Golf’s General Manager Terry Smith is also looking forward to new opportunities forthcoming with the acquisition of Bruker Marina including the development of a unique “Birdies, Boats, and Barbeque” package offering from one location in British Columbia where golf groups can partake of 18 holes in the morning followed by an afternoon lake cruise on Kamloops Lake and barbeque, as well as individual golf and watersports requests.

As the winner of annual top-ranking awards, including “Canada Best Golf Course” in the World Golf Award 2020 and 2021, Tobiano Golf has been a consistent attraction to Kamloops and now combined with recreational opportunities on the lake, will be ever more the draw.
